

Seniors in the Knowledge Society

Grundtvig Learning Partnership

Castellón meeting agenda

October 6 and 7, 2011

Description

This is the first meeting of the SeniorsKS Learning Partnership; 10 institutions will take part in the meeting that will be the starting event of the project. It will be used to know each other better and clarify the next steps and work to do in the project.

More information about the project at <http://www.seniorskseu>

Aims

The first meeting is aimed to get a better knowledge of each institution and all the partners, establish a first exchange of information and agree about next steps in the partnership.

All the partners will have to prepare a presentation of 20 minutes, participation of learners is encouraged. During these presentations, speakers should point out their best practises and good experiences with their activities, courses, processes, etc. Social events are aimed to allow information flow and an non-formal and informal learning.

Deliverables

Each partner has to deliver a general description of the institution, objectives, context, etc. They have to focus on the ICT activities, also key activities and best practises.
