Wiki

What sort of thing is a “wiki”?

- Hawaiian word that means “fast”
- The most famous example is in “Wikipedia”
- In 2001, James Wales and others launched Wikipedia, a free and open content encyclopedia.
- Everyone can write and edit articles
- Continuous updating thanks to new technologies
- There are many wikis all over the world
- And we, the Seniors at Universitat Jaume I, also have a wiki

ROGER ESTELLER CURTO

holds a Computer Science degree from the Jaume I University, and has worked in the Senior Citizens' University since 2004 teaching ICT to senior students. He coordinates the ICT teachers' group and prepares the courses, materials, activities and ICT-related complementary activities. Under the management of Pilar Escuder,

PILAR ESCUDER MOLLÓN

holds a Humanities degree from the Jaume I University and a Master's Degree in Applied Social Gerontology from the University of Barcelona. She has worked in the Senior Citizens' University since 2000 as coordinator and researcher. Her role is to organise, prepare and supervise the activities, courses and staff of the SCU. She

JOSÉ TRAVER ARDURA

holds a Computer Sciences degree from the Jaume I University. He has worked in the Senior Citizens' University since 2007 teaching ICT. He is heavily involved with technology in rural areas and new ways of collaborating in remote locations. His research interest centres on new Web 2.0 tools, learning possibilities and

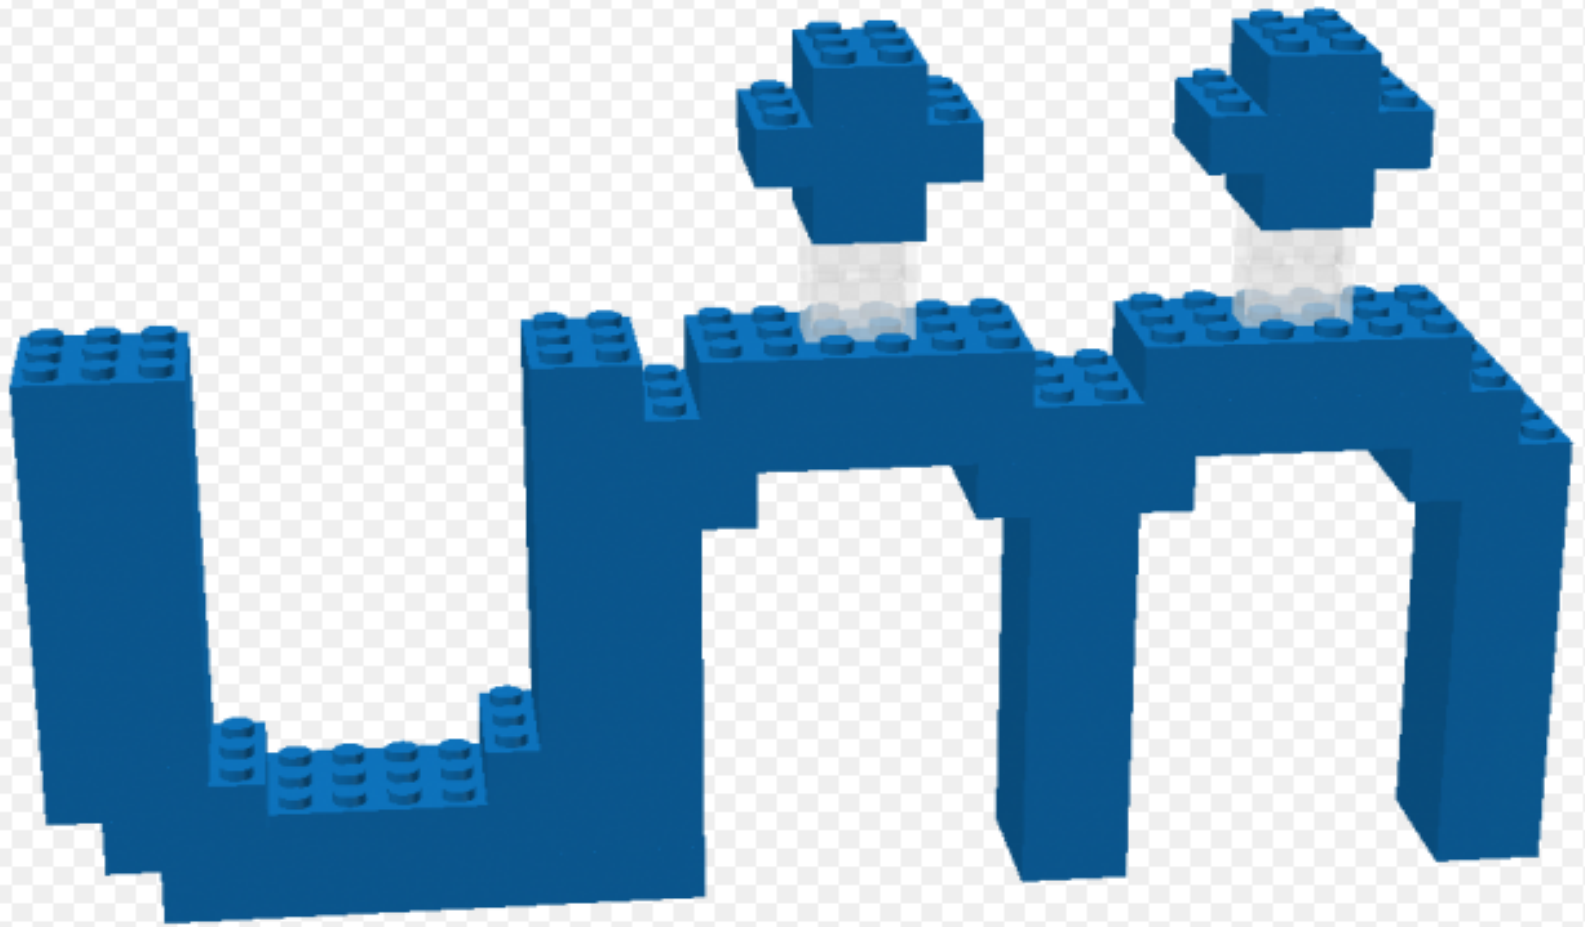

The creators

Pili and Roger, two very serious people, and...

José, the quiet man, created our WikiSenior

WikiSenior

Portada

Why a wiki?

WikiSenior

- Web 2.0 has expanded the ways of communication between users
- We can now create and provide information to other users
- Knowledge of ICT improves the quality of life of older people.
- Universitat Jaume I, within its academic programme for seniors, has created wikiSenior
- In this web space senior students can share knowledge

Students of the first 2.0 class 2009/2010

Statistics of our WikiSenior

- 562 articles
- 394 authors
- 2.159 uploaded files
- 23.123 visits for the most-viewed article
- 2.619.552 visitors

WikiSenior

– Sections:

- Science and new technologies
- Cooking and recipes
- Travel and tourism
- History and society
- History and habits
- Local history
- Personal experiences
- Articles, activities, etc.
