Aims of the meeting

(Application Form, section G.2.)

- Activity presentation. Design and discussion about methodology and plan of the activity to carry out.

Deliverables

(Application Form, section D.4.)

- Plan for research and innovation in own institutions (based on cooperation and exchange of activities of the partnership).
Research in own seniors learners
(motivation, interests, knowledge, etc)
- Activity design and plan for implementation.
Motivation. Expected results

Speaker

- Lets us know what you would like to do
- Share with us your ideas, planning and doubts
- Enable the possibility to us to collaborate or help you in that task

Attendant

- Pay attention of what speaker is talking about
- Can I collaborate with that institution? Can I collaborate with him/her somehow ?
- Something interesting ? (material, course, process, etc.)Ask for it
- I have some doubts... Ask now or later !!
- I have some ideas and suggestions. Offer them !!

Your activity

- Have in mind some activity that is part of your institution strategy (or needs)
 - To participate in this partnership will not stole your time (you do not have to spend time in “other things”)
 - That activity will bring profits to your institution (it will be useful for your institution)
- Have in mind always to give somehow an active role to your learners (depending of the kind of activity)

Finally...

- We are here to work
 - We have our duties in this partnership: activities, deliverables
 - We have to work to reach the aims of the project to our best effort
- But also
 - We are working in something we like
- Please !!!
 - Exchange, share, ask, explain, teach, learn,
 - Enjoy, relax,
 - Take advantage of working time and also social time (formal, non-formal and informal learning)
